

How to get in touch...

Rotary is an international organisation which operates in over 200 countries around the world. There are over 1,500 Rotary clubs in the UK with more than 50,000 members.

The Rotary Club of Monifieth & District meets at Grange & Broughty Golf Club in Monifieth at 5.45pm each Wednesday evening. We have an excellent two course meal followed, most weeks, by a speaker. The talks are on a range of issues which never fail to generate a lively question and answer session.

Special occasions including a Burns Night, a celebration of Christmas, and outside visits to places of interest are also part of our diverse programme.

On one evening per month, we discuss the business of the club, considering new projects, requests for support and ideas for fundraising.

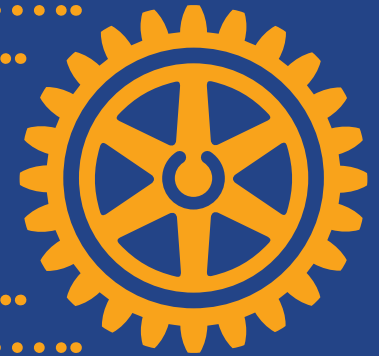

We are a friendly, relaxed club dedicated to service at home and abroad, popular with visitors from Rotary clubs locally and from around the world.

To arrange a visit and find out if Rotary might be just what you're looking for, please contact our Membership Convenor Brian on 07901 171146 or click the QR link below to get in touch.

Rotary

Ever wondered what Rotary is all about?

It's about supporting your community, while having fun!
It's about volunteering, while having fun!
It's about working alongside like-minded people and, yes, having fun!

Come and join us... With your help we can do so much more for our community and the wider world.

We are a very active Rotary Club serving the local area. You've probably seen our members out and about locally... one example being our Santa Sleigh which is hugely popular with the children around Monifieth. But our success depends on both the experience of the current members and also the fresh ideas and extra enthusiasm that new members bring to the club.

That's why we're asking you to consider joining us - all are welcome - male, female, old, young, all work backgrounds, employed or retired.

If you are willing to get involved in improving our community, and other deserving causes, we would love to have you alongside us.

You will make new friends and find membership of the Rotary Club of Monifieth & District a rewarding experience.

Monifieth is a great place to live, work and play. We're working hard to make it a better place for everyone... why not join us?

Here are Just a few examples of what we do...

At the heart of our annual fundraising is our Charity Golf Day: played over the Monifieth Medal Course. This attracts teams from all over Scotland and has raised tens of thousands of pounds to support local and international initiatives.

At home these include the Community Fridge, the Local Befrienders, the Trishaws, Monifieth

Eco Force, Monifieth Gala Day and filling planters with blooms around the town and our local station. A recent major donation was to Guide Dogs.

In addition, we have gladly provided assistance for local youth organisations including the Scouts, Boys Brigade and the local football team.

Overseas, we have supported the provision of wells to provide clean water in North East India and Zambia, contributed substantially to Rotary's worldwide programme to eliminate polio and annually we make funds available for

disaster-hit areas. In a recent initiative we provided substantial support for Dundee-based charity Kids OR which delivers paediatric operating rooms for children's surgery in Africa, Asia and Latin America.

But what about the fun stuff?

Ah! Well, we have Burns Suppers, a great Christmas fun night, outside visits to interesting businesses and local landmarks and we even had a fabulous day at the races. And don't forget our regular meetings with an excellent

meal followed by some fascinating speakers.

And, as a Rotarian you are part of an organisation which will see you warmly welcomed by clubs in over 200 countries across the world.
